It is everyone's desire to have a personality that is appreciated by all. Personality is the combination of physical, emotional, spiritual and psychological aspects in a person. If you wish to enhance your personality, start by respecting yourself and believing in your ability to win respect from others. Have a positive attitude. In your interaction with others be polite and gentle, doing good to them and for them as far as possible. Give importance to words. Speak only when it is required and is of utmost necessity. What you say has tremendous power it can hurt, it can heal, it can charm or it can harm. A kind word can support a person, motivate him and make him feel good. Be devoted and committed to your work.

Remember you are always a learner even when you have climbed up the ladder of position and success. The higher you reach the more humble you should be. The meaning of life is to grow, but grow with changes for the better. Your personality shows when you have a positive outlook, the right communication, a commitment to work, the will to serve others and humble acceptance of success.

Questions :

46. What aspects are included in a personality ?
47. What is the first step to enhance your personality ?
48. How do kind words impact others ?
49. Pick out a pair of words that mean opposite to each other.
50. Mention the traits that exhibit your personality.
